## New Model: SACS 13 Strider Coupe

Not really a new model as its hull and design are identical to the Lancia di Lancia model launched in Genoa last year, but the SACS 13 Strider Coupe is in actual fact the standard version. Here Christian Grande as in the Lancia version presents nice solutions to this Rib Cruiser like the wind screen opening which take you to the fore deck, and the intelligent use of spaces onboard. Accommodation is for two berths inside, a separate shower head, and a living area with galley outside in the deep cockpit. Power to a performance orientated Vee shaped hull is for twin FPT 480hp with surface drives propulsion.

**Technical Data:**

LOA - 13.01 m (42.6ft)  
 Beam - 3.80 m  
 Draft - 0.80 m  
 Displacement - 8 t
